LASER FAX-2920 : Brother's Latest Super Fax

Enjoy the versatility of this all-in-one super fax that comes with a myriad of functions to exceed all expectations: Fax, Copy, Scan and Print. With the touch of a button, your fax document is transmitted by our Super G3 modem to your recipient at an ultra-fast speed of up to 2 seconds. Not only is FAX-2920 super for speed, it gives you super time and cost savings as well!

FAX-2920 is a high-volume office companion that comes with 20 one-touch dial locations, speed dial of up to 200 numbers, and broadcasting of up to 270 numbers. In addition, faxes will never be lost with our memory storage of up to 500 pages - even when the machine runs out of paper during the sending or receiving process. To top it all off, FAX-2920 further carries a memory security with a backup of up to 4 days!

FAX-2920 also functions as a high-resolution laser printer and copier, with sharp quality printouts at a crisp speed of 14 pages-per-minute. With other features like distinctive ring tone, a handset and economical power consumption that reflect different modes such as sleep, standby and peak, FAX-2920 has all the performance and efficiency that keeps your business moving at top speed.

To help you save on running costs, FAX-2920 also comes with a separate toner cartridge and drum that prints up to 2,500 and 12,000 sheets respectively. Now, you do not need to throw away a usable drum when your toner is exhausted - a saving that any user will appreciate.

Brother strongly recommends that our customers use Genuine Brother consumable products only. By using genuine Brother consumables, the benefits to you are: Better quality prints, greater yields per consumable, protection of your machine from damages, and be able to achieve optimum performance. Your machine warranty may not cover any damage arising from the use of non-genuine Brother consumables.
