Enjoy printing, faxing and copying at a low operational cost in one device with the Canon JX510P. Beyond these functions, it also has a built-in answering machine, so you will never have to miss a call anymore. Canon JX510P – the perfect SOHO fax machine.

Quickly does it – fax, print and copy

- Super G3 fax modem at up to 33.6Kbps speed
- Transmits fax documents at an approx. 3 secs per page
- Doubles up as your personal printer with its USB 2.0 Hi-speed connectivity
- Prints documents at a fast 5 pages per minute**

Total convenience

- Check out who's calling with the Caller-ID (depending on country) feature
- Record your incoming voice messages with its built-in TAM (Telephone Answering Machine)
- Flip between fax/telephone mode at a touch with the Fax/Tel Auto Switch

Details down to T

- Inkjet FINE™ print technology creates crisp and clear text with its 320-nozzle inkjet full-photolithography technology
- UHQ (Ultra High Quality) image processing ensures high quality fax printing and transmission
- Produces 256 levels of greyscale

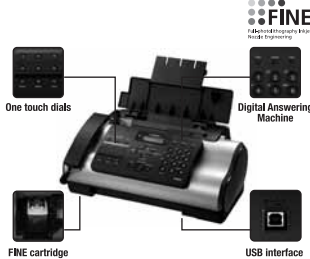

Chic and Classy

- Curved design and glossy silver finish to fit into any modern office
- Built-in telephone handset for handy fax-phone usage

Undoubted reliability

- 20-sheet Auto Document Feeder for continuous faxing and copying of multi-page documents
- 100-sheet Paper Tray capacity ensures smooth operation
- Up to 120-page fax memory capacity for seamless fax receiving at any time
- Scan once and fax up to 110 locations with its sequential broadcasting feature
- For easy retrieval of frequently dialed contacts, program them in the speed dial locations
- For easy recognition, print the report with Image Printing feature

Easy on energy and running cost

- The minimum 1.7W power consumption in sleep mode is built to suit telecommunication lines operating round the clock
- Prints and copies greyscale documents in black ink so there's no wastage of coloured ink
- For optimum device performance and clear printouts, use Canon original PG-40 / PG-50 black ink cartridges
